Date: _____

RE: Name: _____

Date of Birth: _____

Social Security Number: _____

Gun Permit #: _____

Dear Physician:

The individual referenced above has applied with the Department of Public Safety and Corrections for a Louisiana concealed handgun permit. The applicant has informed the Department that he/she has received treatment and/or prescribed medication from you.

Louisiana Law requires an investigation into the applicants' legal qualifications. To qualify for a permit an applicant must: not suffer from a mental infirmity due to disease, illness, or retardation which prevents the safe handling of a handgun; not be an unlawful user of, or addicted to, marijuana, depressants, stimulants, or narcotic drugs; not have been committed, either voluntarily or involuntarily, for the abuse of a controlled dangerous substance; not have been adjudicated to be mentally deficient or been committed to a mental institution.

Please complete the Medical Disposition Questionnaire, so that the Department can evaluate the referenced applicant's qualifications.

Your assistance is greatly appreciated. Should you have any questions, please contact the Concealed Handgun Permit Unit at (225) 925-4867. Any correspondence to be returned to the Concealed Handgun Permit Unit should be mailed to the following address:
